

Welcome to Yuma Lutheran School!

Thank you for your interest in enrolling at Yuma Lutheran School. We are excited that you are considering YLS for your child. Choosing a school that fits your family's needs is very important. At Yuma Lutheran we are sure that you will find loving teachers in a caring community, an engaging curriculum and a place where children love to learn.

Yuma has several options for private education, but we believe that we have the best program to offer. With small class sizes, electives, a strings program and an athletic program, we believe there is something for everyone at Yuma Lutheran.

For over 65 years, Yuma Lutheran School has been providing a well rounded education in a Christian atmosphere. We educate the whole child by helping our students grow socially, emotionally, physically and spiritually. We invite you to ask questions, to meet with teachers and staff, and to observe us in action. You will be able to see first hand why generations of families choose Yuma Lutheran.

I look forward to working with you and your child!

In HIS Service,  
Angela Schiller

# BEFORE AND AFTER SCHOOL CARE PROGRAM FOR 2025-2026

## Philosophy

Our before and after school care program is a Christian based program with a staff dedicated to making sure your children are safe, having fun, and being well cared for. All staff have an Arizona State Fingerprint Clearance Card, and have been carefully selected. In addition, all staff is trained in CPR and First Aid.

Yuma Lutheran School provides care for parents seeking before-and-after-school supervision of their children. We offer a program where parents know their children are valued. We create a safe place that is comfortable and secure.

All students who are enrolled in the after school program are encouraged to work on homework unless otherwise requested by the parents. Once homework has either been completed or diligently worked on, the children will be dismissed to find a game or play outside.
